### His Own Daughter.

Oglethorpe, Ga., Feb. 12.—A story which reveals one of the horrible phases of slavery as it was one time practiced in the Southern States has just come to light here. John Mimms, a substantial negro farmer took to himself a wife. The woman was much his junior, but it seemed to be a case of love at first sight.

They were married, and there was happiness in their home until a few days ago, when he and his wife went to visit his mother-in-law at Grangerville. It was then that he discovered that his mother-in-law was one of his old-time slavery wives, and that Lizzie, Harmon the woman to whom he had been married several months, was his own daughter. It is said that the revelation has so preyed on the mind of the old man that he will have to be sent to an asylum.

### Three Killed and Five Wounded.

Whiting, Ind., Feb. 12.—In a riot in a saloon yesterday, three men were instantly killed and five seriously injured. The dead are: John Mokin, Stephen Mulcha and Emory Szanjo. The seriously wounded are Jacob Gladstone, cigar manufacturer, Chicago, shot in the breast; John Thomas, foreman for the Standard Oil Company shot in the right side, will die; Peter Nagz, seriously injured about head and shoulders; G. Fleevord, head badly cut by falling glass, will recover; Leo Morgenthaler, wounded in left breast. No one seems to know what caused the row.

### The Wonderful New Photography

Chicago, Feb. 12.—Cathode rays were put to use for the first time today in a surgical operation. Cashier Smith, who had been shot in the hand several years ago, offered himself as a subject to James E. Barry and electrician Charles E. Scribner, who had been conducting a series of experiments at the laboratory of the Western Electric Company. The bullet in the hand was small. The injured hand was exposed to the Cathode rays for about an hour. The plate disclosed an excellent likeness. A physician removed the bullet. Smith suffered little pain.

### The Greatest Jockey Dead.

## TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what made it. It was not the old time grocers who showed the people the value of a dollar, but new blood forced new prices to the front and showed the people where they were at.

We did not have to reduce prices to meet them *they came to our price*. This is our claim. We only want you to know where the credit belongs and deal accordingly.

We changed with the times, not after them, and our groceries are sold for modern prices.

L. H. BELL, Grocer.
